

Outreach & Education

Community Legal Aid offers several outreach and education programs to help positively impact our community.

Public Workshops & Clinics

We offer workshops and clinics, free and open to the public, on various legal topics and issues. All upcoming public workshops and clinics are listed on our [Events](#) page.

Continuing Legal Education (CLE) Courses

We offer free continuing legal education trainings. Our CLE courses are open to all attorneys and community partner organizations. Trainings can be found on our [Events](#) page. [Sign up for our Ignite newsletter](#) to receive up to date information.

Open Houses

Annually, we host open house at each of our office locations. These events are free and open to the public. During these events, attendees can learn about Community Legal Aid's services, tour our offices, meet our legal staff and Executive Director, and hear about current initiatives and future plans. We encourage all volunteers, community partners, donors, and those interested in legal aid to attend. All upcoming Open Houses are listed on our [Events](#) page.
